Advanced Hydrafacial Beauty Machine PL-69

Clear Skin **PL-69**

·Moisturizing · Repair skin · Remove wrinkles

Introducing Hydrafacial Machine For sale PL-69 by PrettyLasers, an incredibly powerful hydrafacial solution that lets you thoroughly clean, hydrate and nourish your patient's facial skin. Bringing forth the top-quality standards and PrettyLasers's innovative approach, Hydrafacial Machine For sale PL-69 works deeply yet gently to cleanse and rejuvenate the skin, leaving it fresh, clean and beautifully hydrated.

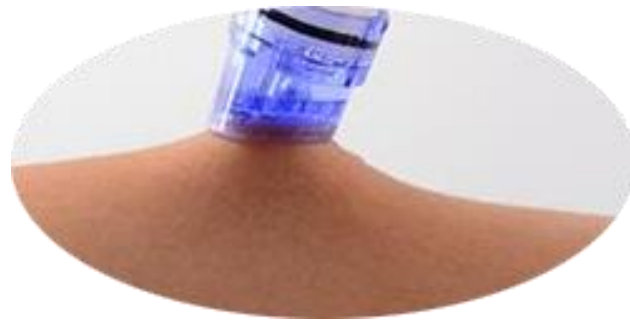

Hydrafacial Machine For sale PL-69 is an outstanding stand alone treatment, as well as a must-have pre -treatment solution used to prepare skin for various skin rejuvenation treatments. It also offers amazing results as a pre-treatment for a diverse range of skin procedures. This is undoubtedly the most effective platform available on the market today.

For a Healthier and Rejuvenated Skin

Skin Clarifying & Purifying at its Best!

Hydrafacial Machine For sale PL-69 works in a 3-step process, pairing the highest quality of designated solutions with each step. The machine's unique hydra dermabrasion tip and powerful suction action enable a deep cleansing process and extraction of impurities, while ensuring highly effective penetration of solutions into the skin. The tip exfoliates, for improved and homogenous coverage, leading to a more thorough cleansing process. Made of flexible silicone material, the tip is soft and feels pleasant on patients' skin. Hydrafacial Machine For sale PL-69 simultaneously clarifies, soothes and moisturizes, infusing skin with powerful nutrients and leaving it clean, hydrated and refreshed. This is an extraordinarily powerful regimen that enhances and expands your clinic's offer - enabling you to maximize your business potential with ease.

Life is all
the more perfect
when you have
perfect skin.

Boost Your ROI,

A unique and innovative skin resurfacing solution, Hydrafacial Machine For sale PL-69 brings together exfoliation, cleansing, extraction and hydration, to enable effective treatments with excellent results. Deep, yet gentle, Hydrafacial Machine For sale PL-69 achieves both exfoliation and skin rejuvenation simultaneously, providing a soothing and refreshing experience for patients. There is no downtime, no discomfort, and no irritation. Simple to use and easy to maintain, and with its clear, user-friendly UI and simple operation, Hydrafacial Machine For sale PL-69 is seamlessly integrated into any clinic with no effort. This is a must-have for any skin care clinic, as it offers a high return on investment -with virtually no risk - brought to you by PrettyLasers, the world's leading provider of skin care solutions.
